

Condolence Message

Mr Vikrant Verma

Today the world has lost an incredible life, a brave warrior, a companion of courage, cheer and cooperation, our own beloved colleague, Mr. Vikrant Verma. It's been a loss so shocking, so swift and so irreparable for the entire Ahlcon fraternity that it has left all of us in a stunned silence. The grief is really indescribable. Bidding adieu is never easy. The pictures never reflect his warmth. The heart is still pierced by memories and no words can tell it all. Final farewell to our dear Vikrant!! Our prayers are with his family, friends and students.

With deepest condolences from Ahlcon International School.
