AHLCON INTERNATIONAL SCHOOL MAYUR VIHAR, PHASE-1 DELHI-91

Dear Parent,

This booklet contains year's work plan. The work has been carefully planned and divided into units each for Nursery and Pre- Primary.

Weekly flows will give the details of each unit's oral and written work to be done in class. Teacher designed worksheets will give extra drill, revision in English, Hindi, Maths, Science and General Knowledge.

In case, it becomes necessary to add / delete or change any topic given in the syllabus, the flows will give this information. We request parents not to teach ahead of the teachers as your and our method may vary and is likely to confuse the child. Please use the booklet as guideline only.

Also, we request to :

- a) check your ward's diary daily and sign exercise books weekly in order to keep abreast of school work.
- b) not to call up the teacher during the school hours and to use the almanac as a means of communication, if need be.

Formative Assessment

Classes Nursery and Pre-Primary will not have any formal examination. There will be ongoing assessment evaluation, experiments and hands on experience all through the year, wherein, the teacher will assess and evaluate the day-to-day work and a report will be sent once each term. Hence, the daily work and the daily preparation work is of utmost importance. You are therefore, requested to keep all the assignments, completed class work notebooks and worksheets of the entire academic year

Carefully. Promotion to the next class will be based on the child's written and verbal performance. Please keep in touch with the school by attending the Parent Teacher Meeting. Kindly refer to the schedule given in the school almanac and circular sent home from time to time.

You may meet the Headmistress on weekday between 9:00 am to 10:00 a.m. by appointment only.
